

Circus Juventas Partial- and Full-Scholarship Program Application Form

CJ's partial- and full-scholarship program offers a 50%-100% discount to students who have special financial circumstances that prohibit them from participating in the CJ program. The number of classes included in the scholarship may vary depending on the particular needs and participation level of the student. Financial aid is not available on workshops, toddler classes, or summer camp. Students applying for the scholarship program must submit this form no later than two weeks prior to the registration deadline.

The following additional items must be submitted with this form:

- Annual Registration Fee, if due.
- List of preferred classes
- Certificate for receiving hot lunch from the public school system.

Students will be selected for the partial scholarships based on scholarship availability, course availability, and the student's description of their interest in the program. Students will be notified whether they were accepted into the scholarship program before the first week of class.
