* Black Jazz Boot: Students requiring these shoes should be fit at Grand Jete & pick them up at the store, but CJ will pay for them due to an arrangement already made with the class.

** These are the only shoe that cannot be purchased at Grand Jete. You can buy the Converse "Chuck Taylor" version or any generic brand that is COMPLETELY black - soles and all. Boots, low tops or color of any kind are not acceptable. CJ recommends searching for "black high tops" on the internet to find several options.

*** These will be painted to match the Side by Side/Star Trapeze act's costumes. It is essential that you get these ordered by March 31, 2010 so that the costume team has plenty of time to paint them.

10 % Discount on May Show Shoes

Grand Jete * 975 Grand Avenue

Now—March 31, 2010 ONLY!

Following our successful partnership with dancewear store Grand Jete, store-owner Ruthena Fink has once again offered our students a discount during the lead-up to the May shows. As most of you know, sizing and distributing shoes amongst our hundreds of students was cause for chaos until two years ago, when we discovered the answer to our problem practically next door. Grand Jete carries the Capezio gymnastic shoe, which we require all students in any ground act to wear for practice throughout the year, in addition to the myriad styles needed to costume our students for performance.

In the following notes, you will find the procedure for ordering your shoes & details about exceptions to the process this year. On the back of this page is a chart indicating which shoe your act is required to wear. As always, if you have any questions, please contact Rhiannon Fisk at rhiannon@circusjuventas.org or 651-699-8229, ex: 202.

The Process: When you stop by the store, the staff will consult the master list we have provided them (strictly for tracking purposes) so that you both can be sure you are ordering the correct shoe(s). They will size your feet, take payment & order the style(s) you need. PLEASE BE AWARE that they do not have your shoes in stock, and they will need to be ordered. Grand Jete's staff will call you when they arrive. Shipping is available for an extra fee.

Ordering Deadline*:

The discount is only available until March 31st, and we recommend that you order by then to ensure that you receive your shoes & have time to break them in. After this date, Grand Jete cannot guarantee that you will have your shoes in time for opening night.

German Wheel Shoes:

Because of the nature of the German Wheel act, our coaches have asked that their students purchase Chuck Taylor, All-Star-styled tennis shoes. They have firm soles & the ankle support needed for the movement required by the act. We understand that cost & sizing may be issues, so please feel free to order alternate brands. We ask only that they be MONOCHROMATIC BLACK & HIGH TOPS so that they match the rest of their act.

Shoe Approval:

If you already own the shoe required for your act and do not wish to purchase a new pair for the May shows, simply stop by the front desk to pick up a Shoe Approval form and present it, along with the shoes, to your coach. If the coach agrees that they are show-worthy, s/he will sign the form and return it to the artistic department.

Note to Side by Side & Star Trapeze Families:

All Side by Side & Star Trapeze act shoes MUST be ordered by March 31st. We will be painting them to match the act's costumes and must have them in our hands by early April in order to complete this process. We have instructed Grand Jete to hold all SS/SR orders for us to pick up en masse the first week of April. You can still feel free to stop by the store to try them on after they arrive, but we respectfully request you to honor the process we have put in place. You will receive the completed shoes during dress rehearsals.
